Dear Mr. and Mrs. Marulli,

I hope this finds you well. I wanted to thank you for choosing me for the Jessica Marulli Scholarship. This means a lot to me and my family as it helps us pay off some of my student debt so I'm really grateful to be chosen for this award.

I also would like you to know that even though I've had to adapt to school being remote, I'm thriving here at Franklin Pierce and this award will just push me to thrive even more. I was part of the men's soccer team this semester and we went undefeated winning six games and even defeated some division one schools.

This summer I will be working at U-Haul as I plan to get a higher position within the company while also playing soccer for a semi-pro team back home. Once again, I would like to thank you for choosing me for this scholarship, nothing feels better than when the work you've put in starts paying off. This will just push me to do even better at everything I do.

Thank you,
Joselito
